PRINCIPLES AND PRACTICES OF CONFIDENTIALITY AND PRIVACY

GUIDELINES ON COLLECTION, VERIFICATION AND USAGE OF INFORMATION IN DATING SERVICES

- All clients shall be profiled by Champagne JSG's assigned Dating Practitioner before they may be accepted as a member.
- Information collected during the profiling session must be declared accurate by the members. Necessary supporting documents must be furnished by members before activation of membership.
- All information relating to Champagne JSG's members, obtained through profiling and other dating activities will be kept strictly confidential. Only directors of Champagne JSG and authorized staff have the authority to access members' database. All staff signed a non disclosure agreement.
- Information of member will not be disclosed to another member without prior consent from the member.
- No information collected through Champagne JSG may be used for any purpose other than dating related activities.
